MEMORANDUM FOR: *Fred*

*[Redacted]*

*[Redacted]* has said that he's seen an Agency notice of his appointment as NIO/S&T but has seen none from NFIB.

Elder's office says that sometimes such notices are put out over McMahon's or Casey's signature and sometimes not. Do you want me to pursue doing such a notice this time around?

*It would be useful to have NFIB notice if possible. NIO are opposed.*

*Fred*
